

Cornell Career Navigator

Are you interested in a career at Cornell?

Or are you already working at Cornell, and would like to see where you can take your career?

The Career Navigator Tool maps where you are in the Cornell job family matrix, and shows the framework toward advancement and new career areas.

See how you can use this tool to explore opportunities and manage your career at Cornell.

What you'll DISCOVER

Cornell's Career Navigator gives you access to information that can help you advance in your current role or find a completely new career path.

- **See** where your current role might lead.
- **Explore** potential opportunities for managing work, managing others, or both.
- **Discover** job summaries, qualifications, pay ranges, and related training to support your career goals.

Login

You can login two ways:

- As a current **Cornell employee**: Enter your NetID — the Navigator will identify your current position as the starting point.
- As a **Guest**: The Navigator will take you to Cornell's job structure. Choose a job family that interests you, and begin your explorations from there.

Individual Contributor Job Profiles

Individual Contributor job profiles focus on delivering individual and team-based work.

The job profiles shown here are those available within the same job family with different responsibilities, and may be in higher or lower pay bands.

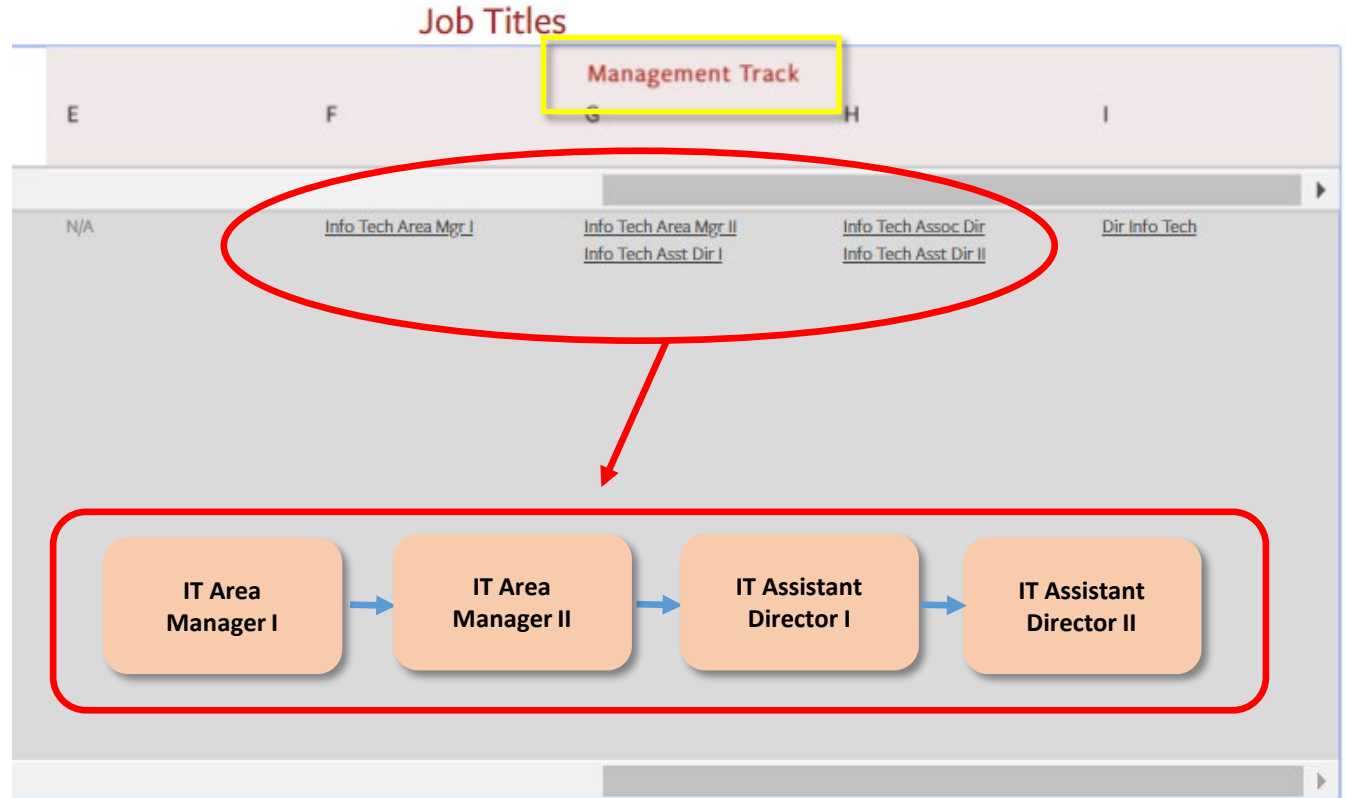

Management Job Profiles

Management job profiles primarily focus on managing the work of others and developing others.

These job profiles will show you possibilities into related managerial roles. Progression may be linear, or advance laterally into different colleges or units.

Career Path Examples

Career movement may be linear, or advance laterally into different colleges or units.

All Job Profiles

Compare positions *across* job families.

A job **profile** describes one type of job. There can be many individual positions fitting a certain job profile; for example, many positions across colleges and units are within the Administrative Assistant II profile.

Cornell offers over 700 different job profiles within 15 job families.

Click here to browse **the entire spectrum of positions** in Cornell's **Job Family Matrix**. Jobs are arranged vertically by job family, and horizontally by pay band as individual contributors, followed by managerial positions. This is a good place to get a **wide view** of the kinds of jobs that might interest you.

Now that you've explored some possibilities, are you ready to move your career in a new direction?

Cornell offers a wealth of opportunities to develop the skills you need to improve in your current role, or advance toward positions you've identified with the Career Navigator Tool.

Browse this area of the HR website for a guide to resources such as skills assessment, training, continuing education, and more.

The screenshot shows a navigation menu with 'Jobs', 'Benefits & Pay', and 'Professional Development' (circled in red). Below the menu is a header for 'Professional Development' with sub-links for 'Training', 'Continuing Education', and 'Career Management'. The main content area features a large heading 'Grow Your Career' and a sub-heading 'Learn new skills and develop your potential.' Below this is a paragraph: 'Cornell offers extensive opportunities for continuing education, training, and professional development.' At the bottom, there is a red button labeled 'TRAINING OPPORTUNITIES'. A red arrow points from the circled 'Professional Development' link to the 'Grow Your Career' heading.
